VETERAN

Priority of Service (POS)

Did you Serve in the Armed Forces?

You are a veteran if you are a former military service member or a National Guard Member or Reservist who served on active military duty. You are a valued member of the civilian workforce, and your character, training, and skills are valued by employers.

Who is Eligible for POS?

Veterans and eligible spouses must be identified at the point of entry to the One Stop Career Centers so that they may take full advantage of Priority of Service (POS).

A former service member is eligible for POS if he or she served at least one (1) day in active military service and was discharged or released under conditions other than dishonorable.

A spouse is eligible if his/her husband/wife was a veteran who has a total disability resulting from a service-connected disability or who died as a result of a service-connected disability.

What is POS?

POS means that Veterans and eligible spouses, who meet the eligibility requirement, shall be given access to employment, training, and placement services at an earlier time or before persons who are not eligible for POS.

What Services are Available?

Veterans and eligible spouses receive access, on a POS basis, to the full range of public employment and training resources, including résumé assistance, job search assistance

workshops, career counseling, job referral assistance, and referral to other supportive and training services.

Examples of specific programs and services available include:

- Warriors to Work - is a national program of the Wounded Warrior Project that assists warriors with the transition back into the civilian workforce. This free program offers a complete package of employment-assistance services, including résumé assistance, interviewing skills, job training networking, and job placement.
- Helmets to Hardhats (H2H) - is a national program that connects National Guard, reserve, and transitioning active duty military members with quality career opportunities in the construction industry.
- The Homeless Veterans Reintegration Program (HVRP) provides services to assist homeless veterans find meaningful employment.
- The Veterans' Workforce Investment Program (VWIP) provides funding for short-term training and other services to assist eligible veterans in obtaining meaningful employment.
- The Incarcerated Veterans Transitional Program (IVTP) provides assistance to current as well as formerly incarcerated veterans who were released within 180 days from incarceration.
- The Work Opportunity Tax Credit Program (WOTC) is a federal tax credit that Congress provides to private-sector businesses for hiring individuals from twelve target groups (that include veterans) who may be facing barriers to employment.

ONE-ON-ONE ASSISTANCE

Veterans' Services at Maryland's One Stop Career Centers

One Stop Career Centers offer a variety of services to assist veterans, transitioning military personnel, and other qualified individuals. Veterans and other eligible persons may also receive one-on-one assistance. Local Veterans Employment Representatives (LVERs) develop hiring opportunities within the local areas by contacting businesses, Federal agencies and contractors, and employer associations to encourage the hiring and advancement of qualified Veterans. Disabled Veterans' Outreach Program (DVOP) staff provide specialized intensive employment assistance to eligible Veterans who have special employment and training needs. The DVOPs assist individuals to overcome barriers that prevent them from gaining meaningful employment. DVOPs apply a case management approach and access a broad network of providers and resources to assist eligible Veterans with their employment goals. A list of Veteran Representatives is found on side two of this flyer.

For more information about Veterans' Services, contact your local Veterans Representative listed on side two of this flyer, your local One Stop Career Center, the DWDAL Central Office number at 410.767.2173, or visit the DLLR website at <http://dllr.maryland.gov>.
